## PF Case Review Questionnaire

1. What do you perceive to be the most important areas of this topic?
2. Based off these perceptions, do you feel you have included the highlights of those areas in this case? If so, where? If not, why?
3. What is the general thesis behind this case?
4. What is the biggest strength and biggest weakness of this case?
5. How would you defend the biggest weakness in your case?
6. In what area(s) of case and argument development would you like to see the most improvement?
7. Have you consulted your coach(es) on any of these issues? What course(s) of action have they recommended? Did you try them? Were they successful?
8. In general, where do you feel that you would like to improve most as a debater?
9. Do you feel that you are stronger at providing specific examples or identifying the big picture in debate rounds?
10. As a team (you and your partner), what are your biggest strengths and weaknesses?
